

# PEARSON MATH SUBTEST (MTEL) PREP WORKSHOP

**APRIL 26 & 27, 2018**

**9AM – 4PM**

**NCSBA ASSEMBLY HALL**

**7208 FALLS OF NEUSE RD., RALEIGH, NC 27615**

This two day workshop will effectively prepare participants for the Pearson Mathematics Subtest (MTEL) through sound mathematics instruction and practice. Participants will be immersed in reliable study tips, and helpful test-taking strategies in preparation for the test.

Participants will walk away with a plan of action and virtual follow up will be provided to participants via Zoom in small groups according to their specific content needs after the in-person days. Don't miss this opportunity. Sign up today!
